

**Apply for Licensed Veterinary Technician Position  
at Redmond-Kirkland & Redmond-Fall City Animal Hospital**

Redmond-Fall City Animal Hospital has provided quality veterinary care in our community since 1984. Our Redmond-Kirkland Animal Hospital location opened in 2010. Working together, we provide compassionate veterinary care to the entire Eastside.

RKAH and RFCAH are growing AAHA accredited practices providing the highest possible veterinary care available. While primarily a small animal practice, from time to time we see some exotic patients as well. We believe that cooperative teamwork and a fun and challenging work environment is the key to success.

We are looking for a compassionate, self-motivated, dedicated, and enthusiastic Licensed Veterinary Technician that is excited to join our team. Best salary/benefit package in Seattle area, signing bonus, and we will meet or beat your current salary/benefits if you are a good long term fit for our team.

**Qualifications:**

- Veterinary Technician License is required.

**Specific Duties:**

- Perform standard tasks of an LVT at a general day practice such as: assisting veterinarians, client education and counseling, maintaining medical records, completing daily scheduled treatments, admitting appointments, aseptic catheter placement, blood draws etc.
- Assisting in surgical procedures as directed such as: preparation, anesthesia monitoring and administering.
- Perform routine dental procedures. Perform full mouth radiographs with our digital dental x-rays, take and process other radiographs.
- Draw and process laboratory samples.
- Other duties as assigned.

**Salary:**

- **\$2,000 Signing Bonus**
- **\$17-21/hr DOE**
- **Best salary/benefit package in Seattle area. We will meet or beat your current salary/benefits if you are a good long term fit for our team.**
